### 2.Name of the product:

STAS Cliprail System /article code RC1030/RC30120/ RC10330/RC30130

### 3.Statistical classification of produkt:

Aluminium bars, rods and profiles: 76042100

### 4.The purpose and domain

The STAS cliprail system is a basic hanging system of flawless quality. The STAS cliprail is the most commonly used hanging rail and still a no-nonsense bestseller. The rail, which is available in white or a natural aluminium colour, is easy to fit and blends in well with every interior.

If you want a robust, no-nonsense hanging system, the STAS cliprail system is your best choice. The STAS cliprail is a rail that is attached to the wall using a special mounting clip.

### 5.Technical specification

- aluminium rail
- dimensions 8.2 x 25 mm
- capable of carrying loads up to 20 kg per meter
- available in white or a natural aluminium colour

Further specifications are in enclosed technical document: stas\_Cliprail\_en.pdf
